Glendale Receives Parks and Recreation Awards. Two innovative programs – one for children and one focused on folk heritage – earned top honors for the city of Glendale at a recent parks and recreation conference held in Tucson.

The Arizona Parks and Recreation Association presented Glendale Parks, Recreation and Library Services staff with its Outstanding Educational Program Award and its Outstanding Community/Neighborhood Special Event Award at its 2011 conference. The winning programs are:

Green Crusaders. This youth environmental education program focuses on ways to reduce, reuse and recycle. Glendale's after school program participants learn the importance of recycling and take part in arts and crafts that utilize recycled goods such as plastic bottles, old phone books, paper towel rolls and egg cartons. The city partnered with Terracycle, a non-profit recycling business, to make the program a success. The program has also become a fundraiser for the after-school program by gathering recyclable items and turning them in for recycling.

Glendale Folk and Heritage Festival. This event, held in the midst of the buildings of the Sahuaro Ranch Park Historic Area, has grown into a nationally-recognized, two-day celebration of folk music and related history and culture. With over 150 individual performances and 52 workshops throughout the weekend, residents and visitors can choose from a variety of entertainment styles ranging from folk and bluegrass music to cowboy poetry and storytelling.
